		<p>Sunset district, potentially putting bicycle pathways in our campus.</p> <ul style="list-style-type: none"> • SFMTA is also looking at CCSF to become their training ground for their Rail Technicians. CTE programs may join nicely to that program. • Met with SF MT discussion of potentially putting bicycles for green path; SFMTA is looking for CCSF to become their training • Board Policies will collectively get through this semester. PGC will be used as a platform to review these policies. • Assembly Bill 1942 - specific to instructional service agreement (ISA) and how they are funded. The concept of the bill would be to pull ISA classes out of the student-centered funding formula and fund them at a flat dollar rate. <p>Question from Heather Brandt: what is ISA? Answer from the Chancellor: ISA is an agreement where the district offers a class and the classes are taught by a faculty member who is an employer at a different agency, for example: Police training program.</p> <ul style="list-style-type: none"> • Program review process there is funding available in this year o. Want to make sure that the needs are prioritized and communicated. • Professional development program want to make sure that working with the Senate and professional development leadership committee member to ensure that those funds get available and supported. • Mission campus will host an event tomorrow, August 19, 2022, Deputy Secretary from Washington DC.
